CORONER DOES NOT FIX BLAME

Open Verdict Returned in Connection With Death of W. L. Slamp.

Shock, caused by the force with which he was struck by an automobile at the R. & V. Engineering plant, East Moline, early Wednesday morning, caused the death of William L. Slamp at the Moline public hospital Wednesday night. In the verdict returned by the jury at an inquest held over the body at the East Moline funeral parlors at 1 p. m. yesterday, the jury refused to term his death accidental or to place the blame, leaving an open verdict in the matter. Several fellow workmen and pedestrians who witnessed the accident, which occurred shortly after 8 o'clock Wednesday morning on the testing track at the plant, testified at the inquest. Hugh Dorman, driver of the automobile, refused to take the stand.

Mr. Slamp, 67 years old, was cleaning the track when the car struck him, dragging his body eight feet along the track before the automobile could be brought to a stop. The injured man was taken to the Moline public hospital, where he was attended by Dr. L. E. Harding, who stated that he was badly bruised and internally injured.

BOY CONCEDED CHANCE TO LIVE

Victim of Beating at Joy in Criminal Condition But May Win Against Death.

Earl Crappell, 17-year-old son of Mr. and Mrs. Floyd Crappell of Joy, has regained consciousness and may live, according to Dr. Haley of Joy and Dr. H. L. Walker of Aleo. The lad was beaten Tuesday night by several Joy youths and was in an unconscious condition most of the time until 9 o'clock this morning.

The lad accused George Noble and Glen Rupert of administering the beating, which may result in his death, when he regained consciousness this morning. Dr. Haley, who attended the lad, stated that although not out of danger he has a chance to recover.

The beating was the outcome of an argument at a church social near Joy Tuesday night, and it is claimed that the lad was attacked by two of five young men who were arrested. Bonds ranging from \$1,000 to \$3,500 have been furnished for four of the lads. Norman Pence, the oldest of the five, is still in the county jail in Aleo, being a stranger in Joy and unable to secure bonds. CLOSE STORES IN HIS HONOR

Unusual Tribute to Be Paid By Aleo Business Men to the Late Eugene Parkman.

Funeral services for Eugene Parkman, who passed away at his home at South College avenue Wednesday afternoon, will be held tomorrow morning at 10:30. L. C. Newton, president of the Aleo Business Men's association, has requested that all stores in the city be closed during the services. Dr. A. Judson Arrick, pastor of the First Presbyterian church, will have charge of the services. Interment will be made in the Aleo cemetery.

Mayor C. A. Beers today paid a warm tribute to Mr. Parkman. He said: "In the death of Eugene Parkman, city of Aleo has lost one of its staunch and true friends. As one of the pioneer business men of the city, Mr. Parkman was ever mindful of the best interests of the city, taking particular pride in the development and beautifying of our public buildings and grounds."

"While he has served the city as a member of the council for a long period of years his usefulness to his associates on the council materially increased with each year, and his counsel in municipal matters will be greatly missed."

"During the nearly four years I have served the city as mayor I have learned to appreciate the many things that he has done and was doing and I feel keenly the loss of his valued assistance, especially at this time. A man of few words but of good judgment, I always could rely on his help and cooperation on public matters, regardless of how much time the project required."

"The greatest tribute we can pay to him is to carry on the good work he has so successfully handled in department, a policy so well known to all his associates, and let our monument to him be a completed service as he would have it at a time when he would voluntarily retire from city affairs."

"Aleo had many good men but none more true and unselfish than our fellow townsman, Alderman Parkman."

Miss Welschhorn has been in Mercer county several months conducting Red Cross classes and will enjoy a vacation before taking up further work.
